

NEW GOLDEN MILE

ABOUT

ATTA is a newly launched development that offers a collection of 8 villas, set in the heart of Golf Triangle (Campanario-Paraiso-Atalaya Golf courses). These exclusive designed residential villas are further laced with an amazing community charm offering you access to some of the finest lifestyle amenities.

Location

The New Golden Mile is the name given to the stretch of coastline between San Pedro Alcántara in Marbella and Estepona. Approximately 45 minutes from both Gibraltar and Málaga airports, and within a short drive from Puerto Banús, Marbella, Estepona and San Pedro, the New Golden Mile continues to grow in popularity. It's home to some of the most established complexes, located within walking distance of shops, restaurants, schools and the beach.

Details

Villa SEKS will feature a modern design combining the best materials with a contemporary but at the same time cozy and timeless architecture, offering 4 bedrooms and 4 bathrooms.

There are a nice entrance hall leading to the impressive living and dining room with open plan kitchen with laundry and access to the porche with beautiful swimming pool, guest bedroom or office and guest bathroom on the ground floor. The first floor consists of the master bedroom with dressing room and bathroom on suit and access to a large terrace plus two secondary bedrooms and additional bathroom.

The villa also includes a 128,22m² basement with multiuse room with natural light, bathroom and tech room.

The images are not contractual but only for illustrative purpose. The images are subject to technical, legal or commercial modifications approved by the project management or the competent authority. The 3D images corresponding to facades or the rest of the spaces are merely indicative and will be subject to verification or modification in the technical projects. The furniture of the 3D images is not included and the villas will be indicated in the corresponding building and quality specifications. The energy certification corresponds with the one established in the project in process. All the information and documentation will be provided according to the terms established in the Royal Decree 515/1989 and in the rest of the autonomous or state regulations currently in force that could complement the Mentioned Decree.
