

LA SAL BAY

CASARES COSTA GOLF

COZYNNESS

PREMIUM QUALITIES

New residential project of 43 units with different typologies and exclusive distributions.
Surrounded by four golf courses and the renowned Finca Cortesin hotel.

ABOUT THE PROJECT

Made up of five blocks with communal swimming pool and landscaped green areas.

Each unit has a parking space and storage room. Within the macro-community there is a golf course, a gymnasium and a restaurant open all year round. Residential area with private security.

Brand
new

Created with care and attention to detail, top quality materials, energy efficient homes and abundant natural light. All units come with fully fitted kitchens and complete bathrooms.

ATTENTION
TO DETAIL

MADE WITH LOVE

They are available in different typologies such as ground floors with private gardens, raised ground floors, duplexes and penthouses.

The magic of this development is that each unit is unique. They have been designed so that each one is exclusive with its own intelligent layout.
